Our Current Fleet

Notre flotte actuelle

*Indicates the vessel was built to the FCIP Type requirements. For all other vessels, the cross referencing shows an approximate capability only.

*Indique que le bâtiment a été construit conformément aux exigences du Plan d'investissement en capital de la Flotte. Pour tous les autres, le renvoi indique une capacité approximative seulement.

...As evening drew on, the boat was far out.
Then, seeing them tossed about as they tried to row
with the wind against them,
He came walking toward them on the water
and hastened to reassure them:
“Get hold of yourselves! It is I, Do not be afraid!”
He got into the boat with them and the wind died down...

Mark 6

...Le soir venu, la barque était au milieu
de la mer et battue par les vagues.
Voyant qu'ils se battaient à ramer contre le vent
qui leur était contraire,
Il vient vers eux en marchant sur la mer
et aussitôt leur parla:
“Confiance, c'est moi, n'ayez pas peur.”
Il monta auprès d'eux dans la barque,
et le vent tomba...

Marc 6
